

LAPHAM OUTFITTERS

If you are looking for an outfitting business in southwest Montana, this is the one. This business has been owned by the same family for decades and is located in the heart of exceptional elk country.

This permit lies in the Warm Springs Creek and Bull Creek Drainages of the Beaverhead-Deer Lodge National Forest and is located between the beautiful Big Hole and Grasshopper Valleys. Throughout the years many good bulls have been taken, some in the 300 class, and numerous mule deer. This exceptional permit allows 316 use days throughout the year. The outfitters in the past have catered to archery hunters as well as rifle hunters alike.

A great business opportunity in one of the most beautiful places in Montana.
