

145 Fox Farm Road
Dillon, Montana

Property Listed by Tom Bramlette
Cell (406) 660-4316

Offered at \$350,000

Built in 1977, this Lee Sturm-built brick home has been well maintained and updated over the years. The 1,871± SF main floor includes a large living room area with a travertine fireplace, country kitchen with brick accents, oversized utility/mudroom area ½ bath, 2 bedrooms, guest bath, and large master suite with 2 large closets, 2 sink vanity and French doors to access the patio area.

The 868± SF basement includes a large family room with another travertine fireplace, mechanical room and storage area. Efficient gas hot water baseboard heating system with three zones, water softener, and gas hot water heater keep this home nice and cozy. Outside features include wood clad windows, brick, bat and board finish, and cedar shakes. Two car attached garage with chip sealed driveway. The large front and back yards have been meticulously landscaped and add the final touch to this beautiful property.

Picturesque views of the Pioneers are visible out the front window.
